

Robert M. Wannans  
Appellant  
v  
The State of South Carolina  
Greenville County  
Respondent

In The State of South Carolina Court of Appeals

Appellate Case # 2016-000966

09-13-2016

RECEIVED  
SEP 20 2016  
SC Court of Appeals

Dear Jenny Abbott-Kitchings - Clerk:

I received a letter from you dated August 29 2016.

Stating, the Court is in receipt of my designation of matter and attachments. At this time, the court only needed a list of the documents I am designating to be included in the record on appeal. The time for filing these documents along with the documents in the respondents' designation of matter will be when the record on appeal is due to be served and filed.

Therefore, <sup>my</sup> attachments were returned with the letter:

I am requiring into whether or not the appeal of this case is still pending and has not been dismissed. I have to represent myself because SCIO Division on appellate defense went; in which I've been having problem with SCDC making copies of hand written legal argument etc in this case.

The document you returned to me that was the attachment to my designation of matters to be included on appeal, has been sent to the assistant attorney General John Benjamin April, because ~~they claim~~ he claim he did not receive a copy of the designation of matters to be included in the Record on appeal. So when I receive your letter giving me 10 days to provide proof of service of the designation of matters to be included in the Record on appeal I sent everything you sent me back to Mr John Benjamin, in which he should have received before Sept 16 2016, as required by your letter to me.

So John Benjamin Apthor has a copy of all the documents that will be included in the record of appeals. I want to make sure ~~the~~ my appeal has not been dismissed. Please let me know what the status of my appeal is under appellate Case 2016-000966. is ~~that~~ as of today, and if the SC attorney General motion to dismiss my case is void now, because it was filed within the 10 days you gave me from Sept 6 2016 to comply with sending proof of service of the designation of matters to be included in the record on appeal to the SC attorney General's office. In which I have:

Respectfully Submitted by  
Appellant
