THE HONORABLE SHIRLEY C. ROBINSON
TRIAL COURT CASE No. 2016ALJ040492A
P-

MOTION NOT TO DISMISS CASE AND
RECONSIDER

TO WHOM THIS MAY CONCERN,

THERE WAS IN FACT A \$25 dollar Filing Fee sent to the clerk by my wife in the form of a money order paid to court of appeals, along with my copies of my receipts. Y'all may need to go back and check the paper work and may have over looked the money order that was sent over a month ago. I know the importance of the filing fee so I made sure it was sent way over a month ago. Y'all made a mistake and need to recheck this and find that \$25 dollar money order that my wife sent because she had to borrow the money she sent it from back out in society, but used my address along with my copies of receipts. I cannot take a lost like this so please recheck thanks and may God Bless You. Your prompt attention is greatly appreciated.

Respectfully Submitted,
Maurice Odom

Mrs. JENNY ABBOTT KITCHINGS,

To whom this may concern, My wife sent a \$25 dollar money order off to ya'll for my Filing Fee along with copies of some receipts I needed for my case way over a month ago for a fact. I think ya'll have made an error out of a mistake. You may need to go back and look at the paperwork and maybe ya'll overlooked it. I cannot take a loss like this especially when my wife had to go out and borrow the money to send for my filing fee. I know the importance behind all of this so I made certain the money was paid and sent. My wife sent it along with copies of my receipts from off in society but used my address. I ask ya'll to please re-look because I'm just a GUY CAUGHT UP in the middle that needs to be heard. I'm 100% certain ya'll been had the money order for filing fee. Maybe ya'll misplaced it or overlooked it. Or maybe ya'll took the money order and out of error didn't documented that I paid for it, ^{in error} All I'm asking is that ya'll please re-look and check. I'm certain its a mistake and thanks a lot. Please respond back as soon as you can and May God Bless You and your family.
