

# The South Carolina Court of Appeals

Tracy Ramey, Respondent,

v.

Laura Lehr, Appellant.

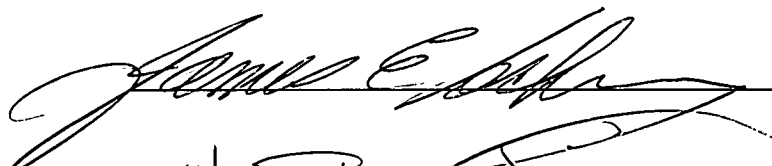

Appellate Case No. 2016-001629

---

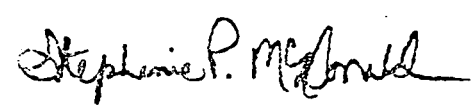

## ORDER

---

On September 23, 2016, this court denied Appellant's motion to stay her eviction. Appellant has now filed another motion to stay, which we construe as a petition for panel review pursuant to Rule 241(d)(7), SCACR. After careful consideration of the petition, the court is unable to discover that any material fact or principle of law has been either overlooked or disregarded. Therefore, we adhere to the denial of Appellant's motion to stay her eviction.
