Appellant and Respondent both filed motions to amend their designation of matter to include records that were inadvertently excluded from the initial record on appeal. As a result of these motions, the original schedule for filing the accurate record on appeal (and thus the final briefs) with the Court was disrupted. The Court has now granted both motions to amend and thus the parties are now in position to file the proper record on appeal to substitute for the incomplete record on appeal previously filed with the court. Attached hereto is a copy of the complete, accurate amended record on appeal to replace the August 24, 2016 record on appeal. The purpose of this motion is to reset the schedule for filing. Pursuant to Rules 210 and 211, the parties hereby move the Court to revise the due date for the parties' Final Briefs under Rule 211 twenty (20) days from today's date or October 11, 2016.

Respectfully submitted,

Charles J. Hodge
