Billie Mueller, Appellant,

v.

South Carolina Department of Employment and  
Workforce, and Ebtron, Inc., Respondents.

Appellate Case No. 2014-002489

## ORDER

---

Respondent has filed a motion to dismiss this appeal, arguing Appellant included documents in the record on appeal which were not included in the parties' designations of matter and also included some documents that had previously been stricken from Appellant's designation of matter. Appellant filed a motion to strike Respondent's motion, which we deny.

Within ten days, Appellant shall serve and file an Amended Record on Appeal, which includes only the documents listed in Appellant's Amended Designation of Matter and Respondent's Designation of Matter.<sup>1</sup> Upon receipt, or the expiration of ten days, this court will consider Respondent's motion to dismiss.
