Re: Diggs v. State
Appellate Case No. 2010-160647 / Motion to review Rule 242. App. Court Rules (A)

Dear Clerk of Court,

An order of denial was issued September 4, 2012 denying petition for a writ of certiorari. I received this order via Division of Appellate Defense Wanda H. Carter September 12, 2012. A motion to remove counsel and proceed pro se and supplement the record was made October 10, 2012. The motion was denied October 23, 2012 continued as a Motion for Rehearing.

I ask that you allow this informal letter^{to} serve as my motion to review the Court of Appeals final decision (App. Court Rule 242(A)). Attorney Wanda Carter has informed me that she is not allowed to file any more motions in this matter. If it is necessary for me to submit a formal motion pursuant to the Appellate Court Rules please allow me the appropriate time to do so.

With best regards,

Note: ^{*} From the Court of Appeals
