**S.C. SUPREME COURT**

Dear Mr. Shearhouse

I am writing you today because it has been one year since my case has been sent back to the lower court "remittitur" and I haven't received any mail from the court about no extensions or anything so I <sup>was</sup> wanting to ask you the status of the decision of the lower court? and what happens next? and also a few months back my then PCR Attorney Aimee Zmrocek sent me an order of consent to sign and send back to her and the Asst. Att. Gen also signed it and they were waiting on Judge Early to sign as well and this was Aug. 3 2016 and that was the last I've heard from anybody.... Ms. Zmrocek said that she would no longer be my attorney that Indigent defense would appoint me counsel I have yet to have counsel and

Sir I have no idea of what's going on. what I do know is that I've been wrongfully convicted a falsey imprisoned, several of my Constitutional rights were violated as well as my amended rights total ineffective assistance of Counsel, Sir this case should have never made it thru preliminary hearing as a matter of fact the arrest warrants shouldn't have made it pass the magistrate Judge Due to lack of evidence, lack of witnesses, The Arresting officer marked his name out on the affidavit itself and put some other guy name in his place that nobody know's who he is and he's not mentioned in no other part of this case whatsoever... all of the documents in this case are full of violations.

Mr. Sheathouse I'm only saying all this to point out that I've been wronged, and I have all types of evidence to prove it, but the only thing that I want from all

This is to erase this error of my record and to release me to family and back to my job of Driving Trucks, I've recently attended "Kairos" Prison Ministry" and I've Learned something very special to me which is forgiving, Loving and Praying for other people. So Sir what I'm saying to you is that I'm not looking to file no lawsuits of any kind against anybody and if there's a waiver to that effect I'll sign it yesterday... I've been locked up 20 mths for a crime I didn't commit. I just want to go home to my grandkids  
THANK YOU FOR YOUR TIME!!
