I am writing in concern of reference number 2014-CP-5417 case that has been sent to the appellate court for review. My Lawyer William Nixon has filed the notice of appeal. Judge Dept. Early has also granted a direct appeal in the judgement in which I would like to combine White vs State with the PCR appeal. I am writing to see the status of this appeal and also to see if a lawyer has been appointed in this case. I have a copy of the notice of appeal from my lawyer and him asking for his dismissal as my counsel. I have not recieved any other information. I am inquiring so I can place a motion or petition for bail. Do I need to wait for an attorney to be appointed, before I place this motion or could I do it myself? I do understand this motion will be petitioned to the lower courts. Can I please have some assistance with the information on an appointed lawyer or the status of my appeal. Thank You!

Sincerely,

Samuel Brown
