Case # 2016-001606

Dear Ms Kitchings

The purpose of this letter is to humbly ask for your help. As you know I am a Prose litigant. I need your help in getting SCDC employees to stop denying me access to the Courts and legal materials. I am having problems out of the law librarian Ms Spigner. She is refusing to make my legal copies. As you know I am fighting the timely filing of a motion. I want to file amended exhibits, but the librarian refuses to make photo copies for me. I began my appeal process August 10, 2016 and that's when I first started submitting request for notary and photo copies. To this day I still have not received photo copies from the law librarian Ms Spigner. I got the Associate Warden Ms Thompson involved, but Ms Spigner still refuses to do her job. With this letter im not trying to file a motion or pay a filing a fee. I'm simply seeking for your help in helping me resolve this issue. It's been going on for over a month and I am being given ten day deadlines to meet, and im being denied

my rights by SCDC employees. I hope you can help me with this issue because the agency is not trying administratively to handle it due to the fact its been going on for over a month. I look forward to your disposition and hope you can help me with this problem.
