NOTICE OF APPEAL IN A CIVIL CASE

THE STATE OF SOUTH CAROLINA
In The Court Of Appeals

APPEAL FROM RICHLAND COUNTY
Court of Master in Equity
The Honorable Joseph M. Strickland, Master in Equity

RECEIVED

OCT 10 2016

SC Court of Appeals

Case No. 2014-CP-40-3950

Eugene G McDonald, Individually,

Appellant,

v.

First Citizens Bank and Trust Company, Inc.,
Successor by merger to Community Resource
Bank, N. A.

Respondents.

MOTION FOR RECONSIDERATION OF DISMISSAL OF APPEAL

Appellant moves for the court to reverse the dismissal of the above referenced case, Appellate Case No. 2016-001895. Appellant received written notice of entry of the dismissal order on September 30, 2016. Appellant served the original Notice Of Appeal on Respondent by depositing a stamped copy of it in the United States Mail, postage prepaid, on September 12, 2016 but failed to realize that Proof of Service was required to be filed with the clerk of court at that time. Upon notice from the clerk, several deficiencies were noted. Corrective actions required an Amended Notice of Appeal to be filed and served upon Responded at which time a Proof of Service was also filed for the Amended Notice. Appellant felt that this corrected the deficiencies being unaware that the court was referencing the Proof of Service of the original Notice of Appeal. Attached is the Proof Of Service of the original Notice Of Appeal.
