IN THE COURT OF COMMON PLEAS  
FOURTEENTH JUDICIAL CIRCUIT

**CASE NO.: 2008-CP-27-151**

**ORDER  
AND  
REPORT ON STATUS CONFERENCE**

I held a status conference pursuant to the mandate of the Court of Appeals. It now appears that the seemingly complex problem, of a missing file, is merely a consolidated file.

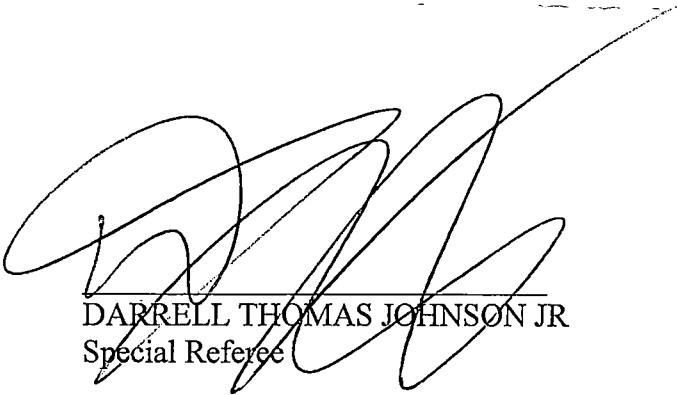

Any confusion among the two in the Clerk's office may not be any different, or any greater, than that of the Referee. These cases involve overlapping and redundant evidence both documentary and testimonial. At the status conference the Clerk's file was copied and presented to Mr. Kuhn.

It is now therefore ordered that Mr. Kuhn review the Clerk's file in both cases and then either:

- 1) Schedule a hearing to settle the record for the week of October 17, 2016, or
- 2) Present the Referee with a consent order to the effect that there is no dispute as to the record.

IT IS SO ORDERED.
