Re: Ted A. Nettles v. Sylvester Guess Drew, Jr.  
Appellate Case No. 2016-000477

Dear Counsel:

The Court has received a motion for third extension to file the appellants' initial brief and designation of matter in the above mentioned appeal. It appears that the appellants' have timely served and filed their initial brief and designation of matter. Therefore, no action will be taken on the appellants' motion for third extension. The time for serving and filing the respondents' initial brief and designation of matter will expire October 17, 2016.

Very truly yours,
