This appeal is being Filed by Bernard Dewberry The Appellant. I Bernard Dewberry was charged with murder on 5-9-15 which I was pleading that it happen in self defense but later found out by Public Defender that so don't have no self defense law but I could go for stand your ground so that what I went for and I ask for a jury trial from day one. So as two months in jail public defender take me up for bond hearing in July 2015 can't remember the day but Judge Couch was the presiding judge who heard my case that day and denied my bond. So as August 2016 comes around my public defender comes to tell me that my trial day would be come up on the 22 of August and Judge Couch would be my trial judge so the day of August 22 I was told by public defender that we was going to do the stand your ground pre trial hearing to see if Judge Couch grant it but if not we would pick my jury and my trial would take place. The next day Aug 23 but instead of them doing the stand your ground pre trial hearing they went ahead on with picking out the jurors and after they was pick Judge Couch told them to be back in the morning of Aug 23 at 9:30 and trial would begin at 10:00 so after they was dismissed they start the pre trial hearing on stand your ground which Judge Couch denied, so trial supposed to begin the next day 8-23-16 but my public defender came down with a cold so it was put off but began the next day 8-24-16 but before begin public defender ask me did I want to take the 15 years and 5 years probation plea but denied it and went on with the trial but end up stopping it cause my public defender stop defend me so I stop it and ask could I have the plea that she offer me but she said no that I could take the negotiated plea that was (15-30 y) are go on with trial so I took the plea on grounds of because I had no one defend me in trial. But if I knew that the public defender wasn't going to defend me with her all I would have got a new public defender are took the (15 years and 5 year probation). Thank you for your time in looking in on my appeal
