Chris,

The State of course consents to this request; however, as I am now working on a response to McCall's motion to remand for reconstruction I happen to have the file right here in front of me. I see the September 30th letter from Deputy Clerk Allen at the Court of Appeals indicates the time limits for perfecting the appeal are being held in abeyance pending the Court's decision on the motion, so I don't think an extension is needed yet. But either way is fine with us. Thank you.

Re: The State v. Terry E. McCall – Appellate Case No. 2015-001097

Dear Ms. Kitchings:

The Initial Brief of Appellant and Designation of Matter in the above case are due to be served and filed with the Court today. However, due to my heavy work-load, I am requesting a thirty day extension in which to serve and file this brief. The Court has granted one previous extension.

By copy of this email, I am asking that Benjamin Aplin, Esquire, of the Attorney General's office consent to my request.

Sincerely,

John Harrison Strom
