Re: Indra SI, S.A. v. Rotomotion, LLC  
Appellate Case No. 2012-212154

Dear Lori:

I received the lower court's transcript on August 3, 2012 when I entered my office and saw it lying on the floor. (It was slipped under my office door on August 2, 2012, but I was not at the office at that time).

Please let me know if you have any questions.

Very truly yours,

Karen M. DeJong
