Re: William G. Tucker, Respondent,
v. Connie Lynn Batey, Appellant.
Appellate Case No. 2016-000451

Dear Ms. Kitchings:

In response to the Order of the Court dated September 26, 2016, I have re-contacted the Court Reporter, and Mr. McCoy and I have had a conference call with Judge Kimball on the problem of producing a Transcript of Hearing in the appeal above. I attach a copy of our e-mailed correspondence on this matter.

There is, apparently, a way to recover the record either by the use of advanced technology or by a local transcription of the record. Both methods are being timely pursued at this time.

If I can supply any further information to this Court, please inform me. Thank you as always for your help in these matters.

Sincerely yours,

John Martin Foster

Hi Mr. Foster. We have had a reporter take a flash drive to get the audio there before and then they can transcribe it from home. I will reach out to Mary Ann to see when is a good time for the reporter to come down. Will that work for you?

Martin & Brian,

I have had the IT folks review the situation, and there does not appear to be a simple solution. Since the original recording is very 'usable', I think the best solution is to have a court reporter come here and transcribe the trial from the audio recording. Or, they may be able to transfer it to laptop or phone, but I don't know if that will result in the same problem we already have. The whole thing is slightly less than an hour, I believe. That could be done next week.

Let me know your thoughts.

Have a pleasant and peaceful w/e.

Jack Kimball
