Appellate Case No. 2015-001190

Dear Counsel:

Our records reflect that the time for serving the record on appeal has expired. Within ten days of the date of this letter, you must file a proof of service showing that you have timely served the record on appeal. If you have not timely served the record, you must serve and file a motion requesting permission to serve the record on appeal outside of the filing deadlines set by the Court's order of June 24, 2016. Your appeal will be dismissed if the proof of service for the record on appeal and your motion are not served and filed within ten days of the date of this letter.

Very truly yours,

Jenny Abbott Kitchings
