Re: Maurio Rivers v. Dorchester County Sheriff Department and Berkeley County Sheriff
Department.

Appellate Case No. 2016-001856

Dear Clerk,

Thank you for your letter dated October 3, 2016 instructing me to file a letter showing that I have ordered the transcript directly from the court reporter within ten days of the date of your letter.

I am more than willing to obey the courts rules; however, I am confused as to what transcript you are referring. Seeing as how this appeal is an appeal of a Circuit Judges decision to dismiss a motion for Leave to Proceed In Forma Pauperis dated August 28, 2013. No transcribed record of the dismissed motion exists except the actual motion neither is the court reporter named on the motion. If you would please be so kind as to clarify what transcript and court reporter you are referring to so that I may comply with the courts rules? I would be grateful.

Respectfully,
