SC Court of Appeals

To the SC court of appeal,
My name is Mr. Charles Pickens
S.C. # 3109953, I am currently
serving a 15 years sentence with
5 years probation. I would like
to file an appeal on grounds
and facts that I feel that my
lawyer did not properly nor
respectively represent my case
with all the facts pertaining
to my case. First of all he
never brought up the fact in
my case where I told him that
there were no emergency lights
out where the fire trucks were
at handling an accident on the
other side of the road, he never
once said anything about the
accident and why it wasn't
being properly handled. Now I
never once said that I didn't
commit this crime but I also
feel that the punishment was
a bit harsh to me even when
my paper work clearly shows
that I have no criminal record
what so ever. I request an
appeal on that facts I am
a 65 year old man with no
criminal back record. I would
DOT to be there and do a
re-actment of the accident.

The DOT officers name is
officere Murray he was the
one that interviewed me about
the accident. I request to have
my attorney my present because
i paid him with my life savings
and now i have nothing, if he
can't be present i would like
to know what routes to take
to obtain a public defender.
I would also like to know
what can i do to obtain some
of money back from lawyer, I
paid exactly twenty five thousand
dollars and now i feel rail roaded.
So to conclude this letter i would
hope that you grant me an
appeal base on these facts
that i was mis represented.
