Re: Strand Classics v. Frank Emiliano
Appellate Case No. 2016-001409

Dear Counsel:

We received your filing of the record on appeal and appellant's final brief along with the additional 15 copies of each. Our records indicate that the respondent was issued a letter on October 14, 2016 to serve and file the respondent's initial brief and designation of matter along with a motion to allow the late filing of the respondent's initial brief and designation of matter within ten days from the date of the letter. Therefore, under the circumstances, your record on appeal and final appellant's brief are premature as the respondent may respond within ten days. We will hold your record on appeal and final appellant's brief and return them to you if the respondent complies with the letter of October 14, 2016.

Very truly yours,

V. Claire Allen, Deputy

CLERK
