

The Supreme Court of South Carolina

Paula Fullbright and Mark Fullbright, Plaintiffs,

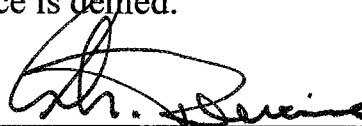

v.

Spinnaker Resorts, Inc., d/b/a Spinnaker Resorts South
Carolina, Inc., Defendant.

Appellate Case No. 2016-001765

ORDER

Defendant asks this Court to hold the time limits for filing its brief in abeyance pending a ruling by the federal court on a request for the consideration of additional material. Because this Court has certified only questions of law, the additional facts defendant wishes to place in the record are not necessary for this Court to make a decision in this matter. Accordingly, the request to hold the time limits for filing defendant's brief in abeyance is denied.
