2. The final paragraph of page 3 of 14 of the Settlement Agreement and Release dated August 25, 2016, shall henceforth be read as follows:

It is further understood and agreed that the Plaintiff and Settling Defendants mutually release and forever discharge each other, their heirs, executors, administrators, assigns, representatives and insurers from only their liability for any and all injuries and damages, past, present and future, now developed and known, and also those which may hereafter be developed and ascertained or discovered, in any way related to this Civil Action and the Counterclaims, including, but not limited to any and all claims for bodily injuries, disability, disfigurement, pain and suffering, loss of income, medical, surgical, and hospital expenses, loss of consortium, companionship, aide, society and services, loss of reputation, property damages, loss of use, additional interest or expenses related to financing, lost economic opportunity, repair costs of any nature, depreciation, attorney's fees, litigation expenses, and any and all other losses or claims, past, present and future, which may have had, now have or may have in any way related to Civil Action Number 2015-CP-32-00170.

Dear Ms. Kitchings:

Please find enclosed the Settlement Agreement and Release, the Addendum to Settlement Agreement and Release, and the Stipulation of Dismissal for filing in the above-referenced case.

Note on page 4 of the Settlement Agreement and Release where the parties agree to dismissal of this case in conformity with Rule 260(b) of the South Carolina Appellate Court Rules.
