Appellate Case No. 2012-212742
Circuit Court C/A 1996-CP-38-00595

SC Court of Appeals

Dear Ms. Kitchings:

As directed by the Court of Appeals in ordering that this matter be held in abeyance, this is to provide a status report on the class action settlement. Circuit Judge Perry M. Buckner, III has scheduled a hearing on November 19, 2012 at the Colleton County courthouse.

A settlement agreement was executed as of September 4, 2012. Following a hearing in Walterboro, Judge Buckner issued an Order of Preliminary Approval of Class Action Settlement, which was filed on September 6, 2012.

Pursuant to the Preliminary Approval Order, a notice of settlement is to be mailed to the members of the Class on or before October 15th advising the members of the Class of the settlement terms and the choices available to them as well as informing them of the November 19th fairness hearing.

Yours truly,
