

Hey, How you doing? I'm fine. The reason I'm  
writing to you is, I need another extension. The reason being  
is we are on lock down for security reasons and I cannot  
prepare my case proper or I can not study my case.  
I was wondering can you write a letter to L.C.I.  
~~Warden~~ Warden and tell him that I got a pending case  
and I need to prepare for my case.

Thank you
