ORDER

Appellants request the Court's permission to serve and file a supplemental designation of matter. Appellants' motion indicates that the supplemental materials will be included in the record on appeal, since the record had not been served at the time the motion was filed. Respondent has not filed a return. Accordingly, the motion is granted. Respondent's motion to substitute Tracy Myers, Esquire, as counsel of record for Respondent, is granted. The Court has received proof of service of the record on appeal. Therefore, all final briefs must be served and filed no more than twenty days from the date of this order.

Appellate Case No.: 2015-001845
Our File #: 2016M

Dear Ms. Carter:

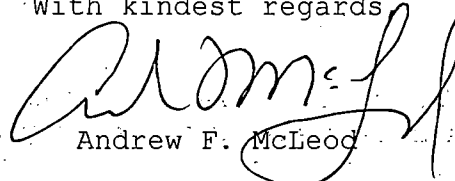

Thank you for speaking with me recently concerning the above referenced file. Enclosed, please find copies of two documents that I received in regards to that case. These two documents were copied to me and I am listed on each document with the other attorneys.

As we discussed, I have no knowledge of this particular case. I currently have no cases pending in Richland County and have not had a Richland County case in many years. I do not know any of these other attorneys listed on this document nor have I ever appeared in this matter or represented any of the parties, either appellant or respondent referenced above.

Please let me know in the event there is some other reason my name was listed other than a possible erroneous inclusion of my name on the mailing list.

Thank you for your excellent assistance and cooperation in this matter.

With kindest regards

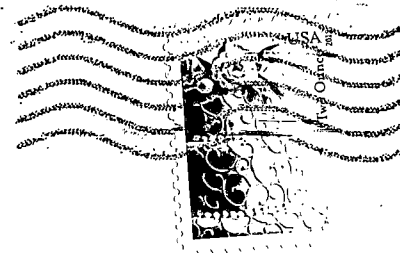

Andrew F. McLeod
