SC Court of Appeals

Dear Mr. Charpia:

I am writing in response to your fax sent to Court Administration dated 10-17-16. In this fax you are requesting a transcript from proceedings heard on January 9, 2013. Since your name was familiar to me, I checked our records for a previous request for this transcript. My records reflected that I sent this request to Ms. Bennett when it was first requested by you and later by Jody Charpia. Ms. Bennett advised that she has already provided this transcript twice. First it was provided to you in October 2013. She also sent a copy of the transcript to Jody Charpia at the same address you list here in May or June 2014.

Unfortunately, the records to produce this transcript are no longer available. If you have any other questions regarding court reporters and/or transcripts, please do not hesitate to contact me again.

Sincerely,

Desirée R. Allen
Court Reporter Manager
