Lynn,

We appreciate the Court's consideration and disclosure of this issue to counsel. Respondent South Carolina Ports Authority considers the measures that the Court and chambers have taken to address the identified issue to be adequate and appropriate, and the Ports Authority does not believe that it is necessary for the impacted Judge to be recused.

Thank you for the opportunity to consider and respond to the Court's query. If you should have any further questions, please advise.

Very best regards,
Chad
