Re: State v Nealy
Case No. 2016-001858

SC Court of Appeals

Dear Sirs

I Arvell D Nealy Jr am appealing my case on grounds that many cases just like mine and some much worse have come out much less time and in some cases even probation. I feel like Judge Dorjet Early III was very unfair in sentencing me and giving me the max on all three charges, and running them all consecutive. I may self have talked to people with the same charges and two of them with 1st degree and they pled out also got less time, i have also read a case of a guy in south carolina charged with 1st degree and got probation, i feel like because i did not have the money to pay a big name attorney i was unfairly sentenced if you would please reconsider the amount of time i have to do
Thank you for your time and attention.

Sincerely

Arvell D Nealy Jr
