Re: The State v. Ramona D. Gilmore
Appellate Case No. 2016-002032

Dear Counsel:

This is the second letter from the Court attempting to obtain the following documents. Upon reviewing your notice of appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter, or this appeal will be dismissed:

- The accompanying proof of service lists the date of service as May 15, 2015. Please provide an amended proof of service showing the correct date that the notice of appeal was served upon all parties.
- Since this is an appeal from a guilty plea, nolo contendere plea, or plea pursuant to Alford, Rule 203(d)(1)(B)(iv) of the South Carolina Appellate Court Rules requires "a written explanation showing that there is an issue which can be reviewed on appeal. This explanation should identify the issue(s) to be raised on appeal and the factual basis for the issue(s) including how the issue(s) was raised below and the ruling of the lower court on that issue(s). If an issue was not raised to and ruled on by the lower court, the explanation shall include argument and citation to legal authority showing how this issue can be reviewed on appeal."

Very truly yours,

V. Claire Allen, Deputy

CLERK
