RE: Cecil L. Josey, Jr. v. Stanley D. Josey, et al., Tracking No. 2011197626

Dear Clerk:

We are in receipt of the Appellant's Petition for Review of Denial of Supersedeas. An extensive return to the Petition for a Writ of Supersedeas was previously submitted on behalf of Respondents Courtney Gamble, Spencer Josey, Elizabeth Ann Geddings, and Cecil L. Josey, Jr., as Trustee of the Josey Family Trust fully discussing the issues related to the supersedeas petition, and in addition, the initial brief has already been filed on behalf of these Respondents. It is our basic position that the Court faithfully considered the circumstances in this case and properly denied the petition because the Special Referee's order for removal of the property is not unfair, and a supersedeas is not necessary to preserve jurisdiction or to prevent any issue on appeal from becoming moot. We would also point out that Chief Judge Few's order was filed on October 9 and the petition for review was not served until more than 15 days later on October 26, 2012. See Rule 221, SCACR. Otherwise, we have nothing to add to our previous return and we will not be sending a separate, formal response to this newest petition unless directed to do so by the Court.

Sincerely yours,

Deborah H. Sheffield
