Re: The State v. Jimmy B. K. Curles  
Appellate Case No. 2016-002229

Dear Counsel:

Pursuant to Rule 264 of the South Carolina Appellate Court Rules, you are still considered counsel of record until relieved by order of the Court.

Upon reviewing your client's pro se notice of appeal received October 31, 2016, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or this appeal may be dismissed. Attached is a copy of your client's pro se notice of appeal:

- The caption/title does not comply with Rule 267(a), SCACR. Specifically, the notice of appeal does not state who the judge was and the lower court numbers on appeal. Please see Form 3 in Appendix C to Part II of the SCACR for a reference on what the format should be for the notice of appeal.
- Please clarify which county this appeal is originating from since your client has stated two different counties in his pro se notice of appeal.
- The notice of appeal is not accompanied by a redacted copy of the order(s) and/or sentencing sheet(s) challenged on appeal.
- The notice of appeal fails to include a statement of when you received written notice of entry of the order or judgment from which this appeal is taken.
- A proof of service has not been provided showing timely service upon opposing counsel. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.

Very truly yours,

*V. Claire Allen, Deputy*

CLERK
