Appellate case NO: 2016-001817

Dated: November 2 2016

RECEIVED

NOV 04 2016

S.C. SUPREME COURT

Now comes Applicant Troy wright #244763, with prose motion to appoint new counsel I advised Counsel of the Appellate Defense Lara M. Candy of the fact that my P.C.R final order was invalid due to its failure to make judgment as in accordance with statute §17-27-80 findings of fact and conclusions of law. I further provided counsel with cases such as Pruitt v. State 423 S.E.2d 127, 128 (S.C. 1992), Simmons v. State, 788 S.E.2d 226 (2016) Criminal law 1181.5(C.1), and S.C. code of laws statute §17-27-80. I further advised counsel to address this Honorable court on my behalf with these above stated facts and counsel advice to me was that the court will not overturn the PCR Judgment based upon these issues. The law and statutes as well as case laws state otherwise as stated above within this motion. Furthermore the U.S. constitution states 6th Amendment that defendant, Applicant has a right to effective assistance of counsel as well as Strickland v. Washington. Counsel I feel is not representing my best interest in this above entitled matter therefore I request of this Honorable Court to remove counsel and appoint new counsel. who will provide me with effective assistance of counsel as required by the United States constitution
