Dear Clerk Gee,

Please find enclosed the Reply to the Motion for Attorney Fees in the above referenced appeal. I am serving a copy of each on the parties in accordance with the rule along with a copy of this letter.

Please excuse my delay in responding to this motion I was out of town from September 26 until October 6, 2012. The motion and itemized cost were not received by me prior to leaving town. None of the documents included with the motion were received by me prior to October 6, 2012. Even though the proof of service is dated August 29, 2012 it was not served on me at that time.

If I need to file any additional information please let me know.

Sincerely

John R. Tally
