Roadside Assistance Protection.

For roadside assistance call 1-800-307-6666.

When deciding whether or not to purchase ROADSIDE ASSISTANCE PROTECTION, you may wish to check to determine whether you have other coverage or protection for such services.

ROADSIDE ASSISTANCE PROTECTION IS NOT INSURANCE. THE PURCHASE OF ROADSIDE ASSISTANCE PROTECTION IS OPTIONAL AND NOT REQUIRED IN ORDER TO RENT A VEHICLE.

You may purchase ROADSIDE ASSISTANCE PROTECTION from Owner for an additional fee. If Renter purchases ROADSIDE ASSISTANCE PROTECTION, Renter will be provided with 24/7 roadside assistance (where available) without additional charge. Roadside Assistance Protection includes replacement of lost keys (including remote entry devices), flat tire service (if no inflated spare is available, the vehicle will be towed to a nearby location). Cost of a replacement tire is not covered by ROADSIDE ASSISTANCE PROTECTION, lockout service (if the keys are locked inside the vehicle), jumpstarts, and fuel delivery service for up to 3 gallons (or equivalent liters) of fuel if Vehicle is out of fuel. Roadside Assistance Protection services are only available in the United States and Canada. ROADSIDE ASSISTANCE PROTECTION IS VOID AND OF NO FORCE OR EFFECT IF AT THE TIME OF THE INCIDENT RENTER (OR ANY DRIVER) WERE USING THE VEHICLE IN VIOLATION OF THE TERMS AND CONDITIONS OF THIS AGREEMENT OR ANY OF THE ACTIONS THAT REQUIRE A DAMAGE WAIVER. In such cases, roadside assistance will be available, but standard charges will apply. ROADSIDE ASSISTANCE PROTECTION does not apply in Mexico.

Telematics Notice and Release. Vehicle may be equipped with OnStar or another telematics system. Renter acknowledges that such systems utilize cellular telephone and/or radio signals to transmit data and communications, and therefore, privacy cannot be guaranteed. Renter authorizes use or disclosure of or access to call information concerning Renter or other user of the service, automatic crash notification to any person involved in the operation of an automatic crash notification system and use of the vehicle location system. Renter releases Owner, operator of the telematics system, wireless carrier(s) and other suppliers of component services and their respective employees, officers, directors and agents from any damage (including actual and/or consequential damages) to persons (including without limitation Renter) or property caused by the use of the telematics system to operate properly. Third party service providers are not agents, employees or contractors of Owner. For limitations concerning warranty, privacy and performance of the telematics system in Vehicle, contact the telematics provider.
