Re: Dan Temple # 254316 v. Oconee Co. Sheriff's Dept.
Appellate Case No. 2016-001124

Dear Mr. Temple:

Upon reviewing your designation of matter, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or your appeal will be dismissed:

- The document is not accompanied by the required certificate of counsel. Pursuant to Rule 209(c), SCACR, the certificate of counsel accompanying the designation of matter must be signed by the party and state that the designation contains no matter which is irrelevant to the appeal.
- The designation of matter, pursuant to Rule 209(c), SCACR, is to be simply a list of matters proposed by the party to be included in the record on appeal. The document you submitted contains the actual materials in addition to a list. Those items are not appropriately filed as a part of the designation of matter. Instead, you will need to consult Rules 210 and 267 for further assistance on including them as a part of your record on appeal.
- The list contained within the submitted document must be further articulated by numbering each item within the list. It must also be signed.

- We are returning your filing to you as it is not acceptable as a designation of matter. You must serve and file a corrected designation of matter, proof of service and certificate of counsel. Only one, unbound copy is required.

Very truly yours,

V. Cline Allen, Deputy

CLERK
