

The Supreme Court of South Carolina

Samuel Brown, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2016-002157

Lower Court Case No. 2014CP0802566

ORDER

Petitioner has served and filed a notice of appeal from a form order issued in this case. While this form order does not indicate that a formal order is to be prepared, both parties have advised this Court that a formal order has been submitted to the post-conviction relief judge, and petitioner asks that the notice of appeal be dismissed without prejudice.

Accordingly, the notice of appeal is dismissed without prejudice to petitioner's ability to timely serve and file a notice of appeal once a formal order has been entered with the clerk of the circuit court.
