V. Claire Allen SC Court of Appeals

I am writing you with regard to my appellate case. I received the information regarding Rule 203(d)(2)(B)(iv) SCACR, last week. I am writing you with concern and depperation about this matter. I would like to get an extension on the 10 day time limit I was given to gather the proper information and to respond pursuant to my case. I'm asking for this extension because I am currently still being housed at Kirkland Research and Evaluation Institution. I have requested to visit the law library as I have been here over 80 days, but have not been afforded the opportunity as of yet. I know that this is some sort of violation at some level. I would like to request a 30 day extension to gather information in Rule 203.

I am wanting to be transferred to my permanent institution where I will be able to visit the law library, and I will be able to use the resources needed to fight my case. I am currently not using any representation so far as counsel for my appeal. Again, here at Kirkland where I am an R- inmate, I've been ignored, and denied multiple request to visit the law library, even after I've shown proper paperwork indicating that I have time sensitive court information with deadlines. I have grievanced this and another matter is being investigated at this time from September. I will be grievancing again for this situation. So I put in a request to the lawyer I received the information from the appeals office. I gave my wife the phone number on the letter to try and contact you about an extension also. This place is truly ridiculous. Please let me know if my situation qualifies for an extension in my case, or what else I can do, to get an extension.
