Jenny:

I hope you are doing well. I had a quick question about the above-referenced case, which was just published today. Burnie and I filed the attached amicus brief in this matter back in 2014. In my (limited) experience, I thought that amicus filers were usually listed under the caption of the case, so I was surprised to see that ours was not listed. Is it a new practice to only include attorneys representing named parties? Or was it an oversight? If it was an oversight, can the Court revise at some point to get us included in the caption?

Thanks!

Jim
