SC Court of Appeals

RE: Charleston Electrical Services, Inc. and Selective Insurance Company of South Carolina  
as Subrogee of Charleston Electrical Services, Inc. v. Wanda G. Rayhall  
Appellate Case Number: 2016-001842  
Civil Action Number: 2013-CP-10-3901  
Claim Number: 21010307  
Our File Number: 307.9065

Dear Ms. Kitchings:

Please be advised that the Appellants' counsel received the non-jury trial transcript on October 17, 2016. I apologize for not informing the Court earlier. I was out of the office when the transcript arrived, and I thought I advised the Court of the receipt of the transcript. When I checked my file, I realized that I have not yet advised the Court, and apologize for that oversight.

I would also take this opportunity to request a thirty-day extension of time to file the Appellants' Initial Brief and Designation of Matter to be Included in the Record on Appeal. I currently have other obligations and deadlines that have prevented me from completing the initial brief by the current deadline, including other appellate briefs, out of town motion hearings, expert depositions in a death case and a mediation, that have kept me from being able to complete the initial brief by the current deadline.

By my calculations, the Appellants' Initial Brief and Designation of Matter to be Included in the Record on Appeal will now be due on or before December 16, 2016. I have also enclosed my firm's \$25.00 check for the filing fee.
