APPELLANT,

RESPONDENT.

**MOTION FOR EXTENSION OF TIME**

---

The Initial Brief of Respondent and Designation of Matter are due to be served and filed today, November 16, 2016. One previous extension request has been granted on behalf of Respondent. Respondent is hereby respectfully requesting a second and final thirty-day extension in which to file the Brief and Designation.

This extension request is not intended for purposes of delay, but rather to ensure that the Brief is properly researched and prepared. The Brief in this case has required significant research because the case involves two constitutional issues - apparently issues of first impression in this state. I have completed more than half of the Brief and am currently working to complete it in a timely manner.

**WHEREFORE**, Respondent prays that the Court extend the deadline for the service and filing of the Initial Brief of Respondent and Designation of Matter in this case for thirty days from the date such relief is granted; hold the matter in abeyance pending a ruling on Respondent's motion; and grant such other and further relief as the Court may deem just and proper.

Respectfully submitted,

OF CORRECTIONS**
