Dear Court:

I come to you as humbly as I can to inform you that I was falsely charged with Burglary 1st Degree. It was said that I was caught hiding in a closet of someone's house. I want to inform you that is untruth I was not there. It was said that a state identification card was found by one of the owners of the house. I want to inform you that identification card was given to Brooklyn Nicole Picciotto by me Beets in 2013. I've known Brooklyn Nicole Picciotto since 2011 we were friends hung out alot. At the time I gave her the ID card she was staying in a group home cause she got in some trouble at morning high school and was kicked out and sent to a school call camp EoS copper. I used to write her letters and call her when she was staying at the group home. I know a lot about Brooklyn Nicole Picciotto and she knows me. She is afraid of her step dad she used to tell me that he Beets her and her mother says or does nothing about it.

I contend that my Plea was not freely entered because I had know time to work up my Defense. They where forcing me in to going to trail forcing me to Accept the plea. Because I had know time to talk with my Attorney About the case we where Denied the continuance from Judge W. Jeffrey young. After my attorney told him that the Discovery was sent to him on June 23, 2016. and told him about his case load and court schedule. Left me know time for me and my attorney to discuss the case I didnt see the Discovery till July 29, 2016 and picked the jury on August 1, 2016 and had trial on August 3, 2016. After the Denial of the continuance and know Defense left me with know choice But to take the Plea.

Please help me in this matter please and
Thanks
