Dear Ms. Kitchings:

As a result of our conversation this morning I am informing the court as best of my knowledge and belief the lower court sent out Judge Toal's order before the court realized I had filed a motion on October 21, 2016.

Judge Toal's Order was dated October 24, 2016.

The clerk of the lower court told me there was an error and my motion was scheduled to be heard.

May the court take whatever action that would preserve my appeal until the right time. I am a pro se litigant in this legal system sued for a debt that was neither due or owing and opposing counsel knew this when they filed suit.

I am also mailing a copy of this letter to David Yandle, the lying suborning attorney.

Thank you very much

Respectfully,

Leslie E. Allen
