Case: The State v Simpson

Case No. 2016-002199  
2016GS4201687-4459

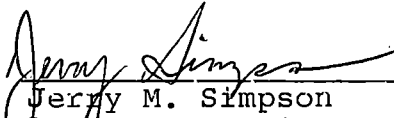

In the State of South  
Carolina Appeal Court

**MOTION FOR EXTENSION OF TIME TO FILE ISSUES**

Comes now the appellant, Jerry Simpson, hereby pro se, humbly before the Honorable Appeal Court of South Carolina, to request for an additional 30 days to file his issues that he seeks to raise on the appeal level. The petitioner states that, on Nov. <sup>11<sup>th</sup></sup> 3, 2016, the Court issued a order / letter of correspondence to the defendant and counsel of record, however, the petitioner did not receive this letter or order of the court until Nov. 15, 2016 and has not had adequate time to prepare the arguments, which are due by the 23rd of Nov. Hence, due to the couple of weeks delay between the time of sending the order and receiving the order, the petitioner now seeks an extension of 30 days to file the issues before the court. Thank you for your time and and for granting the extension, seeing that the direct appeal guides the additional venues for relief.

Respectfully submitted on this 21 day of Nov., 2016 by,
