RE: Canceled Appeal

Order Case No 2016-CP-46-01240

Dear Ms. Brenda F. Stealy

This letter and Affidavit that I included is for the purpose to cancel appeal. The Appellant Attorney, Mr. Nathan Sheldon filed a appeal without discussing nature of the appeal and only to allow a record to be created, The Appellant agreed with the Honorable Judge Couch, on the issues that the Appellant could not be removed from the Registry in a Post Conviction Proceeding, therefore why would I appeal the issues to the Appellant Defense, Especially after I was not allowed to present any of my exhibits, Post Conviction Amendments.

The State used this tactic and opportunity to create a record through my attorney. I have filed several complaints before the issues came to the courts, as well as filed complaints with the Commission on Lawyer Conduct and other officers of the Court here in York County, South Carolina. Therefore, I request that your office provide me with a response to my request and the nature of

of Acknowledgment for the Appellant Request for
Waiving the Appeal Counsel by the Appellant
Defense.
