SOUTH CAROLINA COURT OF APPEALS

Re: City of Columbia V. Haiyan Lin
Appellate Case No. 2015-001866.

Dear Jenny A. Kitchings:

In responding to your letter dated Oct. 13, 2016, I objected that you are using the Rule 240(i), SCACR to block my motion for full panel review of a single judge's decision on my case. Under S.C. Const. Art. V. §4, court rules are subject to statutory law. Pursuant S.C. Code §14-3-350 and §14-8-220, "appeals shall be allowed for orders issued by a single appeal judge or justice, please kindly submit my motion Oct. 4, 2016 to the court for full panel review without further delay.
