SC Court of Appeals

I have reviewed my notes for the balance of the trial and it appears to be approximately 800 pages. I am finishing up a transcript on appeal which is due next week, so I would be unable to start on it until then.

Normally we have 60 days in which to complete a transcript, but I feel I could have it to you on right after the Thanksgiving holiday, the week of November 28th, which is approximately 30 days. Of course, I will do my best to have it completed before then, but I have no control over the hours I will have to spend in court over the next few weeks.

Please let me know if that timeframe is acceptable.

Thank you.

Good Morning Ms. Johnson,

In May of this year you provided the trial excerpts to us pertaining to the above referenced case. We now need to request the full trial transcript. Please advise the proper procedure to request this; the address where we may send our request and the time it takes to process this request.

Thank you very much for your assistance in this matter.
