Re: The State v. Tony L. Kinard
Appellate Case No. 2016-001639

Dear Ms. Kitchings:

The Initial Brief of Appellant and Designation of Matter in the above appeal were due to be served and filed November 23, 2016. However, due to a calendar oversight, the Initial Brief and Designation of Matter were not timely filed and served. I am asking the Court to allow service and filing of this request for an extension out of time. In addition, due to a heavy workload, I am requesting a 30-day extension to serve and file these documents. This is a first extension request, and it is not intended for the purpose of delay.

I appreciate your consideration of this request, and ask that the filing deadlines be held in abeyance while this request is pending. By copy of this letter, I am advising counsel for the Respondent of this extension request.

Sincerely,

William M. Blich, Jr.
Assistant Attorney General
