About 6:30 pm on Friday I went to Tori's house.
This was the same Friday that Tony was killed in
when I got to his house Edwin & Edwin's Scott's
white car was on the side of the house.
When I walked in Edwin & Edwin Scott, Carlos & Toni York
Phillip Gadsen & Toni York were there they were arguing
at Toni about some money. I saw a gun on
the coffee table it was black & silver and
Tony grabbed it and said it was his. Toni gave
me seven dollars to get my hair cut. AS I WAS
leaving I saw Little "Boo" & Little Doe pull up in the
Green Expedition this is Little "A" Expedition the one
with bars over the grill. Don Bussess was in the
back seat. I went and got my hair cut and then
went to Frierson Homes. I was at Frierson Homes
about 10-15 minutes when I heard some shots coming
from Thorne Ave. I went toward Thorne Ave.
and AS I WAS down in the valley on Lawrence
St. I saw the Green Expedition pass on Thorne Ave.
headed toward Kelly's store. About a week later I
was over in Dark Circle when Andy White walked
up and said I need to talk to your people and I
said about what. He said that on the night TORI
WAS SHOT (Tony) ran to his house with a bloody shirt.

Continuation of FD-302 of

Don Burgess

On 03/18/2002

Page 5

Keshia Burgess

Since Tory York never returned to his residence with the drugs, Burgess went to B's Store and had the conversation mentioned earlier with Cooper, Fulton, and Brockington. While at B's Store, Burgess gambled with the money he was going to use to buy drugs by playing dice. Burgess stayed at B's Store approximately two hours and left at approximately 7:30 PM to 8:00 PM that night.

Burgess went to the Track Stop Convenience Store in Kingstree to hang out at approximately 8:30 PM to 9:00 PM that same day. Zachary Woods and Lamar Franklin told Burgess that Cooper, Fulton, and Brockington had just left Tory York's residence. They told Burgess that Fulton sat in Brockington's truck the entire time and that the other two went on the porch of York's residence and confronted him about stealing Brockington's drugs. At the time, they were driving in Brockington's Ford Expedition.

After arriving at the Track Stop Convenience Store, Burgess was dealing drugs at that location. Approximately one to two hours later, Burgess heard that Tory York had gotten shot. Initially, Burgess heard that Cooper and Brockington had paid Terrell Brown, aka Rell, from Charleston, SC, to shoot Tory York. Later that same night, Burgess heard that Steve Singletary, aka Rab, and Neal Hammond actually did the shooting.

Keshia Burgess, Burgess' sister, told Burgess that Tory York, Keshia Burgess, Carlos York, and Tony York were all together the night before Tory York was murdered. Carlos York and Tony York are brothers and are cousins with Tory York. Keshia Burgess told Burgess that they followed Brockington that night when he left the Night Life nightclub in Kingstree. Keshia Burgess drove the vehicle they were all riding in and they followed Brockington to a location near Brockington's residence. Brockington had his drugs hidden in a safe near the residence. After Brockington left the location where he had hidden his drugs, they returned to that location and retrieved the safe, which contained the drugs, and busted it open to get the drugs. The drugs were hidden by a trailer used by Brockington to distribute drugs.

According to Burgess, no one has confronted his sister regarding the theft of Brockington's drugs, but Cooper and others have confronted Carlos York and Tony York regarding the theft of the drugs.

After the murder of Tory York, Keshia Burgess told Burgess that Tony York had blood on him and had a lot of drugs in

his possession. At that time, Carlos York and Keshia Burgess were
dating each other.

Carlos York told Burgess that Tory York had sold Kevin Pendergrass approximately two to four ounces of powder cocaine at a very cheap price earlier in the day on the day that Tory York was murdered. Since Pendergrass was close friends with Cooper, Burgess speculated that Pendergrass must have told Cooper about the transaction and Cooper made the connection with Brockington's stolen drugs.

In approximately 1997 or 1998, Burgess was driving a black GMC Jimmy vehicle, which was owned by Acquinetta (phonetic) Nesbitt, who lived in Turbeville, SC. At that time, Nesbitt dated Burgess' brother, Fred Burgess, aka Dirt. While Burgess was on his way to Nesbitt's residence in Turbeville to return her vehicle, the engine blew up and caught on fire. Burgess telephoned Nesbitt and Nesbitt arrived at the location with one of her friends. Nesbitt's friend drove Nesbitt and Burgess back to Nesbitt's residence and dropped them off at that location.

Shortly after arriving at Nesbitt's residence, Dennis Parrott, aka Dog Man, Williamsburg County Sheriff's Office, arrived at Nesbitt's residence. Nesbitt is the daughter of Parrott. Since Burgess was scared of Parrott, Burgess hid under a bed at the residence. Parrott had a conversation with Nesbitt and then gave Nesbitt an ounce of cocaine. After Parrott left the residence, Nesbitt admitted that Parrott had given her the drugs. Nesbitt stated, "You didn't know Dog Man was giving me dope?" Nesbitt told Burgess that Parrott was paying her rent and selling drugs was how she was making money.

It was Burgess' understanding that Nesbitt currently deals drugs out of a trailer on Airport Circle in Lake City, where she currently resides. Nesbitt also got drugs from Burgess' brother, Derrick Burgess, in the past.

IM A AND O X 3, CALM DEMEANOR. IM HEART AND LUNG SOUNDS AND ALL VS WNL.
FEET APPEAR TO HAVE BILATERAL FLAKING SKIN, THICK CALLOUSES & BROWNISH THICK NAILS. RIGHT FOOT APPEARS TO BE DEVELOPING MILD BUNION AND HAS A CORN ON THE TOP OF GREAT TOE. SKIN IN THE TARSAL AREA OF THE FEET ARE ALSO COVERED WITH A BUMPY RASH AND FLAKING SKIN. WOULD APPEAR TO BE CONSISTENT WITH AN ENTRENCHED FUNGAL INFECTION. PEDAL PULSES PRESENT, CAP REFILL UNDER 3 SEC.

A> BILATERAL FUNGAL INFECTION OF FEET.

P> HAS A LONG DISCUSSION ABOUT INMATE WITH HIS ISSUE OF HIS FEET AND ASSURED HIM HE HAD NO S/S OF PAD; HE WOULD HAVE ISSUES WITH CALVES AND POOR CAP REFILL. THE APPEARANCE OF HIS SKIN HAD NO EVIDENCE OF MELANOMA. HE IS NOT AN ACTIVE DIABETIC AND HAS GOOD FSBS NUMBERS ON HIS LATEST TESTS SO DM NEUROPATHY IS UNLIKELY. MOST LIKE CAUSE OF HIS ISSUES IS A FUNGAL INFECTION
IM NEEDS EMORY BOARDS TO REDUCE THICK TOENAILS AND WOULD PROBABLY BENEFIT FROM A STRONG ANTIFUNGAL PROGRAM.

ISSUED EMORY BOARDS TO REDUCE DEAD SKIN AND REDUCE THICKNESS OF TOENAILS.

FROM: David Martinez, ADA Coordinator
SUBJECT: Inmate Request to Staff Members (RTSM)
DATE: June 20, 2016

You continue to submit requests to "ADA Sect. 504" that do not contain an ADA issue. I received six in the past few days and none of them contain ADA issues. I am returning them to you so that you can send them to the appropriate staff areas. This time I went ahead and identified the areas to which you need to send your requests.

Once again, I will remind you that the basic purpose of ADA is to prohibit discrimination and ensure equal opportunities for individuals with disabilities. All future RTSMs addressed to me that do not contain ADA issue(s) will be returned to you unanswered in accordance to SCDC policy GA-06.04, Request to Staff Member.

- o Section 2.6 - Inmate noncompliance with the requirements of this policy may result in the ARTSM/RTSM being returned unanswered to the inmate.

Most, if not all, of your RTSMs you have been submitting can be resolved at your institution. If they cannot be resolved at the institution, the institutional staff will forward them to headquarters per policy, see paragraph 3.3 of GA-06.04.

I do not have the time, nor is it my responsibility, to route your correspondences to the appropriate staff.

residence when Brockington left the residence. Singletary responded, "Yeah, I think they sitting on the porch right now. I saw Tory and them hangin' out on the porch right now." Apparently, Singletary had just driven by York's residence prior to going to Young's Food Store.

Brockington paid Singletary approximately \$400 to \$600 in cash. According to Fulton, Singletary was known as a daredevil, who would do anything if he was paid money. Fulton thought that Brockington paid Singletary to shoot Tory York. Fulton actually saw Brockington pay the money to Singletary.

Brockington spoke just to Singletary, while Hammond stood behind Singletary and Fulton and Cooper were sitting in the Ford Expedition. Fulton also recalled that Singletary stated, "Neal all right, he's my cousin. He won't say anything."

Fulton further recalled that during the conversation between Singletary and Brockington, that Singletary wanted to know if Brockington wanted Singletary to wait and do it, referring to shooting Tory York, since Brockington had just been to York's residence. Brockington responded no, for Singletary to go ahead and do it now.

Prior to leaving Young's Food Store, after Brockington spoke to Singletary, Brockington told Singletary that Brockington, Cooper, and Fulton would be at B's Store or Monkey Joe's nightclub.

After Fulton, Brockington, and Cooper got to Monkey Joe's club later that night, the club also referred to as Ben Gamble's, Singletary showed up at the club with Hammond. At that time, Singletary was still driving his Cadillac Fleetwood. Singletary asked Brockington and Cooper whether they had any bullets for Singletary to use. Brockington and Cooper responded that they did not have any bullets for Singletary, so Singletary and Hammond left the nightclub. Singletary and Hammond were only there for approximately five to ten minutes.

Approximately thirty minutes after Singletary and Hammond had been at Monkey Joe's club, Fulton found out that Tory York had been shot.

Kennedy of approximately \$700 in cash. Dozier asked Kennedy for his drugs, but Kennedy stated that his drugs were at his residence, so Dozier only got the money from Kennedy.

Dozier went to Black Biker Week later that same year with Kennedy. Kennedy never realized that Dozier was the one who robbed him.

2ND In March of 2001, Corey Liner and Arthur Mosley picked up Dozier at his residence. They then drove to the residence of Steve Durant. While at Durant's residence, Durant told Dozier, Liner, and Mosley that Tory York, Tony York, Carlos York, and Kaisha Burgess had robbed David Brockington, also known as Little D, of some crack cocaine. Durant indicated that Tory York had a lot of the crack cocaine in his possession from the robbery. They then decided to rob Tory York of the drugs, so Durant gave Mosley a black .38 caliber revolver with a rubber grip. 3RD

Dozier, Liner, and Mosley then left Durant's residence together driving in Mosley's girlfriend's car, a black Pontiac Grand Am. At the time, Liner was driving the vehicle, Mosley was in the front passenger seat of the vehicle, and Dozier was in the back seat of the vehicle. Mosley had possession of the .38 caliber revolver. 4TH

5TH Dozier, Liner, and Mosley then drove to Tory York's residence, located on Thorne Avenue in Kingstree, South Carolina. When they arrived at Tory York's residence, Tory York was sitting on the front porch of the residence with another male, who Dozier could not identify because he was too far away. When Dozier and the others arrived at the residence, the male got up and left the residence.

Upon arrival at Tory York's residence, Liner asked Tory York if he wanted to buy a weapon, while Liner was still sitting in the vehicle. Liner mentioned to Tory York what he had heard regarding the robbery of Brockington. Tory York then came down the steps of his residence and approached the vehicle to see the gun. At that time, Mosley got out of the front passenger seat of the vehicle, while Liner and Dozier remained in the vehicle. Mosley stated, "Give me the money, everything (expletive)." At that time, Tory York backed away and stated, "Hold on, you don't need to do it like that." Mosley pulled out the .38 caliber revolver and pointed it at Tory York. Tory York pulled in his back pocket when Mosley told him to give Mosley the money. At 6TH
