Appellate Case No. 2015-002241

The Initial Brief of Respondent and Designation of Matter in the above appeal are due to be served and filed November 30, 2016. However, due to a heavy workload, I am requesting a 30-day extension. This is a first extension request in this case, and it is not intended for the purpose of delay. By copy of this email, I am advising counsel for the Appellate, David Alexander, Esquire, of this extension request.
