Dear Robin:

On September 11, 2012, we received the transcript of the Motion hearing of May 29, 2012 on the Motion for New Trial in the above matter. This means that we have now received the portion of the trial testimony dealing with the Motion for Directed Verdict and the hearing on the Motion for New Trial. However, I wanted to make sure that you were aware of the request for transcript for the entire trial which took place on January 11 and 12, 2012 (minus the portion you have already prepared) remains outstanding.

Thank you very much for your time and consideration in this matter. With best wishes and kindest regards, I remain

Very truly yours,
